

RECKLESS

You got me feelin' reckless
Long time since I felt breathless
Got a mission got a goal
Another 8 ball in the hole
Ohhh, you got me feeling reckless

Watching the minutes ticking by
Just 5 more and it's time to fly
I know that Monday will come too soon
Tonight I need a cold one and some rockin' tunes
But the boss man's gone and followed my tracks
Heard him callin' me but I didn't look back
20 yard and running when that door slammed
Reached the car with the keys in my hand
I was behind the wheel when he reached the door
And I drowned out his yelling with the engine's roar

Found my stick and I was on the green
Showin' the boys what kickin' ass can mean
A guy too drunk to know where his house is
Telling me to put my money where my mouth is
One game and I left him dry
Took all of his cash and every ounce of his pride
With his loot I'll buy some rounds
Party up while I'm knockin' em down
One more shot and I'll be gone
But I'm not going home alone

Got a goal I got a mission
May catch a shark but I'm still fishin'
